We have audited the accompanying statement of financial condition of Moss Adams Securities & Insurance LLC as of December 31, 2017, and the related notes (collectively referred to as the financial statement). In our opinion, the statement of financial condition presents fairly, in all material respects, the financial position of Moss Adams Securities & Insurance LLC as of December 31, 2017 in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of Moss Adams Securities & Insurance LLC's management. Our responsibility is to express an opinion on Moss Adams Securities & Insurance LLC's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to Moss Adams Securities & Insurance LLC in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Notes to Financial Statement

Note 1 – Organization and Nature of Business

Moss Adams Securities & Insurance LLC (the Company) is a limited broker-dealer registered with the Securities and Exchange Commission (SEC) and a member of the Financial Industry Regulatory Authority (FINRA). The Company is a Limited Liability Company formed in Washington State and is a wholly-owned subsidiary of Moss Adams Financial Services LLC (the Owner). The Company earns commission income from sales of securities (mutual funds and variable annuities only) and insurance products.

Note 2 – Summary of Significant Accounting Policies

Use of Estimates – The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Commissions – Commissions related to customer transactions are recorded as earned in accordance with contractual payment structure. Accounts receivable are made up of commissions earned but not yet received. They are stated at the amount that management expects to collect and are not collateralized.

Concentration of Credit Risk – The Company places its cash in a high-credit-quality financial institution. At times, temporary cash may be in excess of the FDIC insurance limit.

Credit risk is represented by unsecured commissions receivable.

Income Taxes – The Company is not a taxpaying entity for federal income tax purposes, and thus no federal income tax expense has been recorded in the statements. Income of the Company is reported on the return of the Owner. The Company is subject to a limited liability company fee in California.

Management evaluates its income tax positions on a regular basis and believes it has taken no significant uncertain tax positions that could result in additional taxes to the Company. The Company has not recognized any interest or penalties associated with uncertain tax positions.

Notes to Financial Statement

Note 3 – Related Party Transactions

Accrued liabilities include \$3,951 to the Owner at December 31, 2017. All Company expenses are paid by the Owner on its behalf, and these items are charged against an intercompany accounts payable account. Reimbursements are periodically made to the Owner.

As the Company and Owner are under common control, the Company's financial position and operating results may be significantly different from those that would have been obtained had the entities been autonomous.

Note 4 – Net Capital Requirements

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2017, the Company had net capital of \$132,210 which was \$127,210 in excess of its required net capital of \$5,000. The Company's net capital ratio was .04 to 1 at December 31, 2017.

Note 5 – Commitments, Contingencies or Guarantees

Management is not aware of any commitments, contingencies or guarantees that might result in a loss or future obligation.

Note 6 – Subsequent Events

In preparing these financial statements, management has evaluated events and transactions for potential recognition or disclosure through February 26, 2018, the date the financial statements were available for issue.
